# ONSITE INSIGHTS

## SESSION 2

RVCA brings to you this seminar series by providing a platform for contemporary architectural practices to showcase their projects. The initiative will help facilitate building knowledge and vocabulary of the students. This will also help provide valuable insights of design philosophy and methodology of the architects and their works. The event will enable the exchange of ideas and work experience from other allied fields between domain experts and students of RVCA.

**14 OCTOBER 2022**  
1400hrs- 1500hrs  
Seminar Hall, RVCA

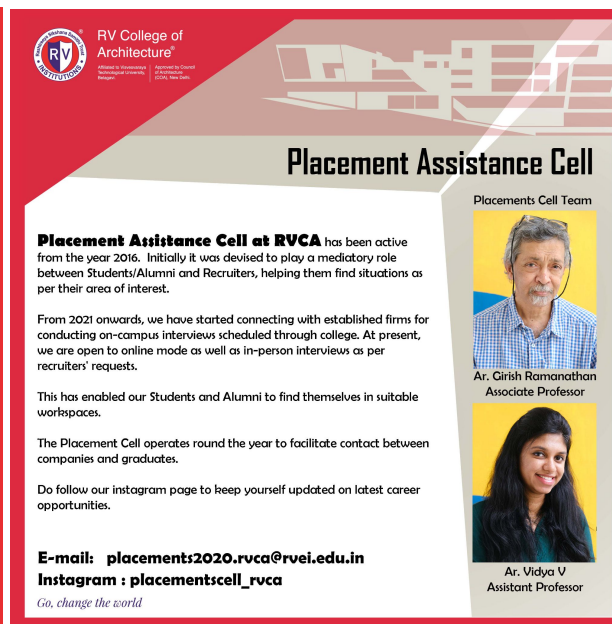

**Session Guest**  
**ROAR- Design Studio LLP**

Through a distinctive design process, we strive to bring together, bespoke design ideas that are cognizant of our clients' aesthetic and intellectual preferences that result in the creation of spaces that are contemporary and uniquely reflective of their values and individuality.

# Placement Assistance Cell

**Placements Cell Team**

**Placement Assistance Cell at RVCA** has been active from the year 2016. Initially it was devised to play a mediatory role between Students/Alumni and Recruiters, helping them find situations as per their area of interest.

From 2021 onwards, we have started connecting with established firms for conducting on-campus interviews scheduled through college. At present, we are open to online mode as well as in-person interviews as per recruiters' requests.

This has enabled our Students and Alumni to find themselves in suitable workspaces.

The Placement Cell operates round the year to facilitate contact between companies and graduates.

Do follow our instagram page to keep yourself updated on latest career opportunities.

# WE ARE PROUD TO LAUNCH

# GlobEd

An Initiative to Inform Architecture students about higher education opportunities across the globe

**Objectives:**

- To provide a **common platform for universities** across the globe to connect and exchange modules of higher education (Masters programmes and PhD) in Architecture and its allied disciplines.
- To provide **effective guidance to Architecture students** on the plethora of options available post their Bachelor's degree.
- To encourage **direct interactions of the professors from Indian and International universities with the students** and faculty for constructive collaborations.
- To build a **network with the alumni** who are International university ambassadors to guide the students beyond academia.
- To provide a **platform for scholarship foundations** and other support organizations such as the study abroad consultants to inform the students on the administrative processes requirements.

**Team GlobEd:**  
Hiranmayi S  
Asst. Professor  
Vidya V  
Asst. Professor  
Alisha Sinha  
Asst. Professor
