## VISION

An architecture institute par excellence, nurturing academics, profession and research for a sustainable contemporary society.

## MISSION

To produce a class of professionals with creative thinking and questioning attitude towards appropriate architecture.

To be a Centre of excellence for architectural and urban design studies by bringing the best teaching talent, infrastructure and technologies together.

To be a crucible for promoting research activities in thrust areas of architecture and allied disciplines for societal benefits.

To share the benefit of intellectual and professional capabilities with society by establishing institutional consultancy.

To assimilate latest academic developments, pedagogy and learning through international exchange programmes.
