Online

Go, change the world

A value- addition course on “Relevance of Vedic Vastushastra in Contemporary Architecture” was conducted for students of 3rd, 5th & 7th semester. The course unfolded the basics of Vastushastra including *muhurat, ganit, disha, namanakshtra* etc. *Faculty Coordinator Prof. Phani Ram Pingli, Asst. Prof. Akanksha Singh*

Asst. Prof. Jagrati Jain attended IConBEE 2022 (International conference of built environment and engineering , Putrajaya , Malaysia 2022) to present a paper on topic- Influence of accessibility of regional transport nodes on development of major settlements: A case study of Visakhapatnam Region early in October.

Student participation in Archdais ID competition-

Archdais invited architects, students, interior designers, and artists from around the globe to take part in the Archdais Interior Design Awards | Category: Residential. To recognize outstanding ideas that redefine the interior design of a house through the implementation of novel technologies, materials, programs, aesthetics, and spatial organizations.

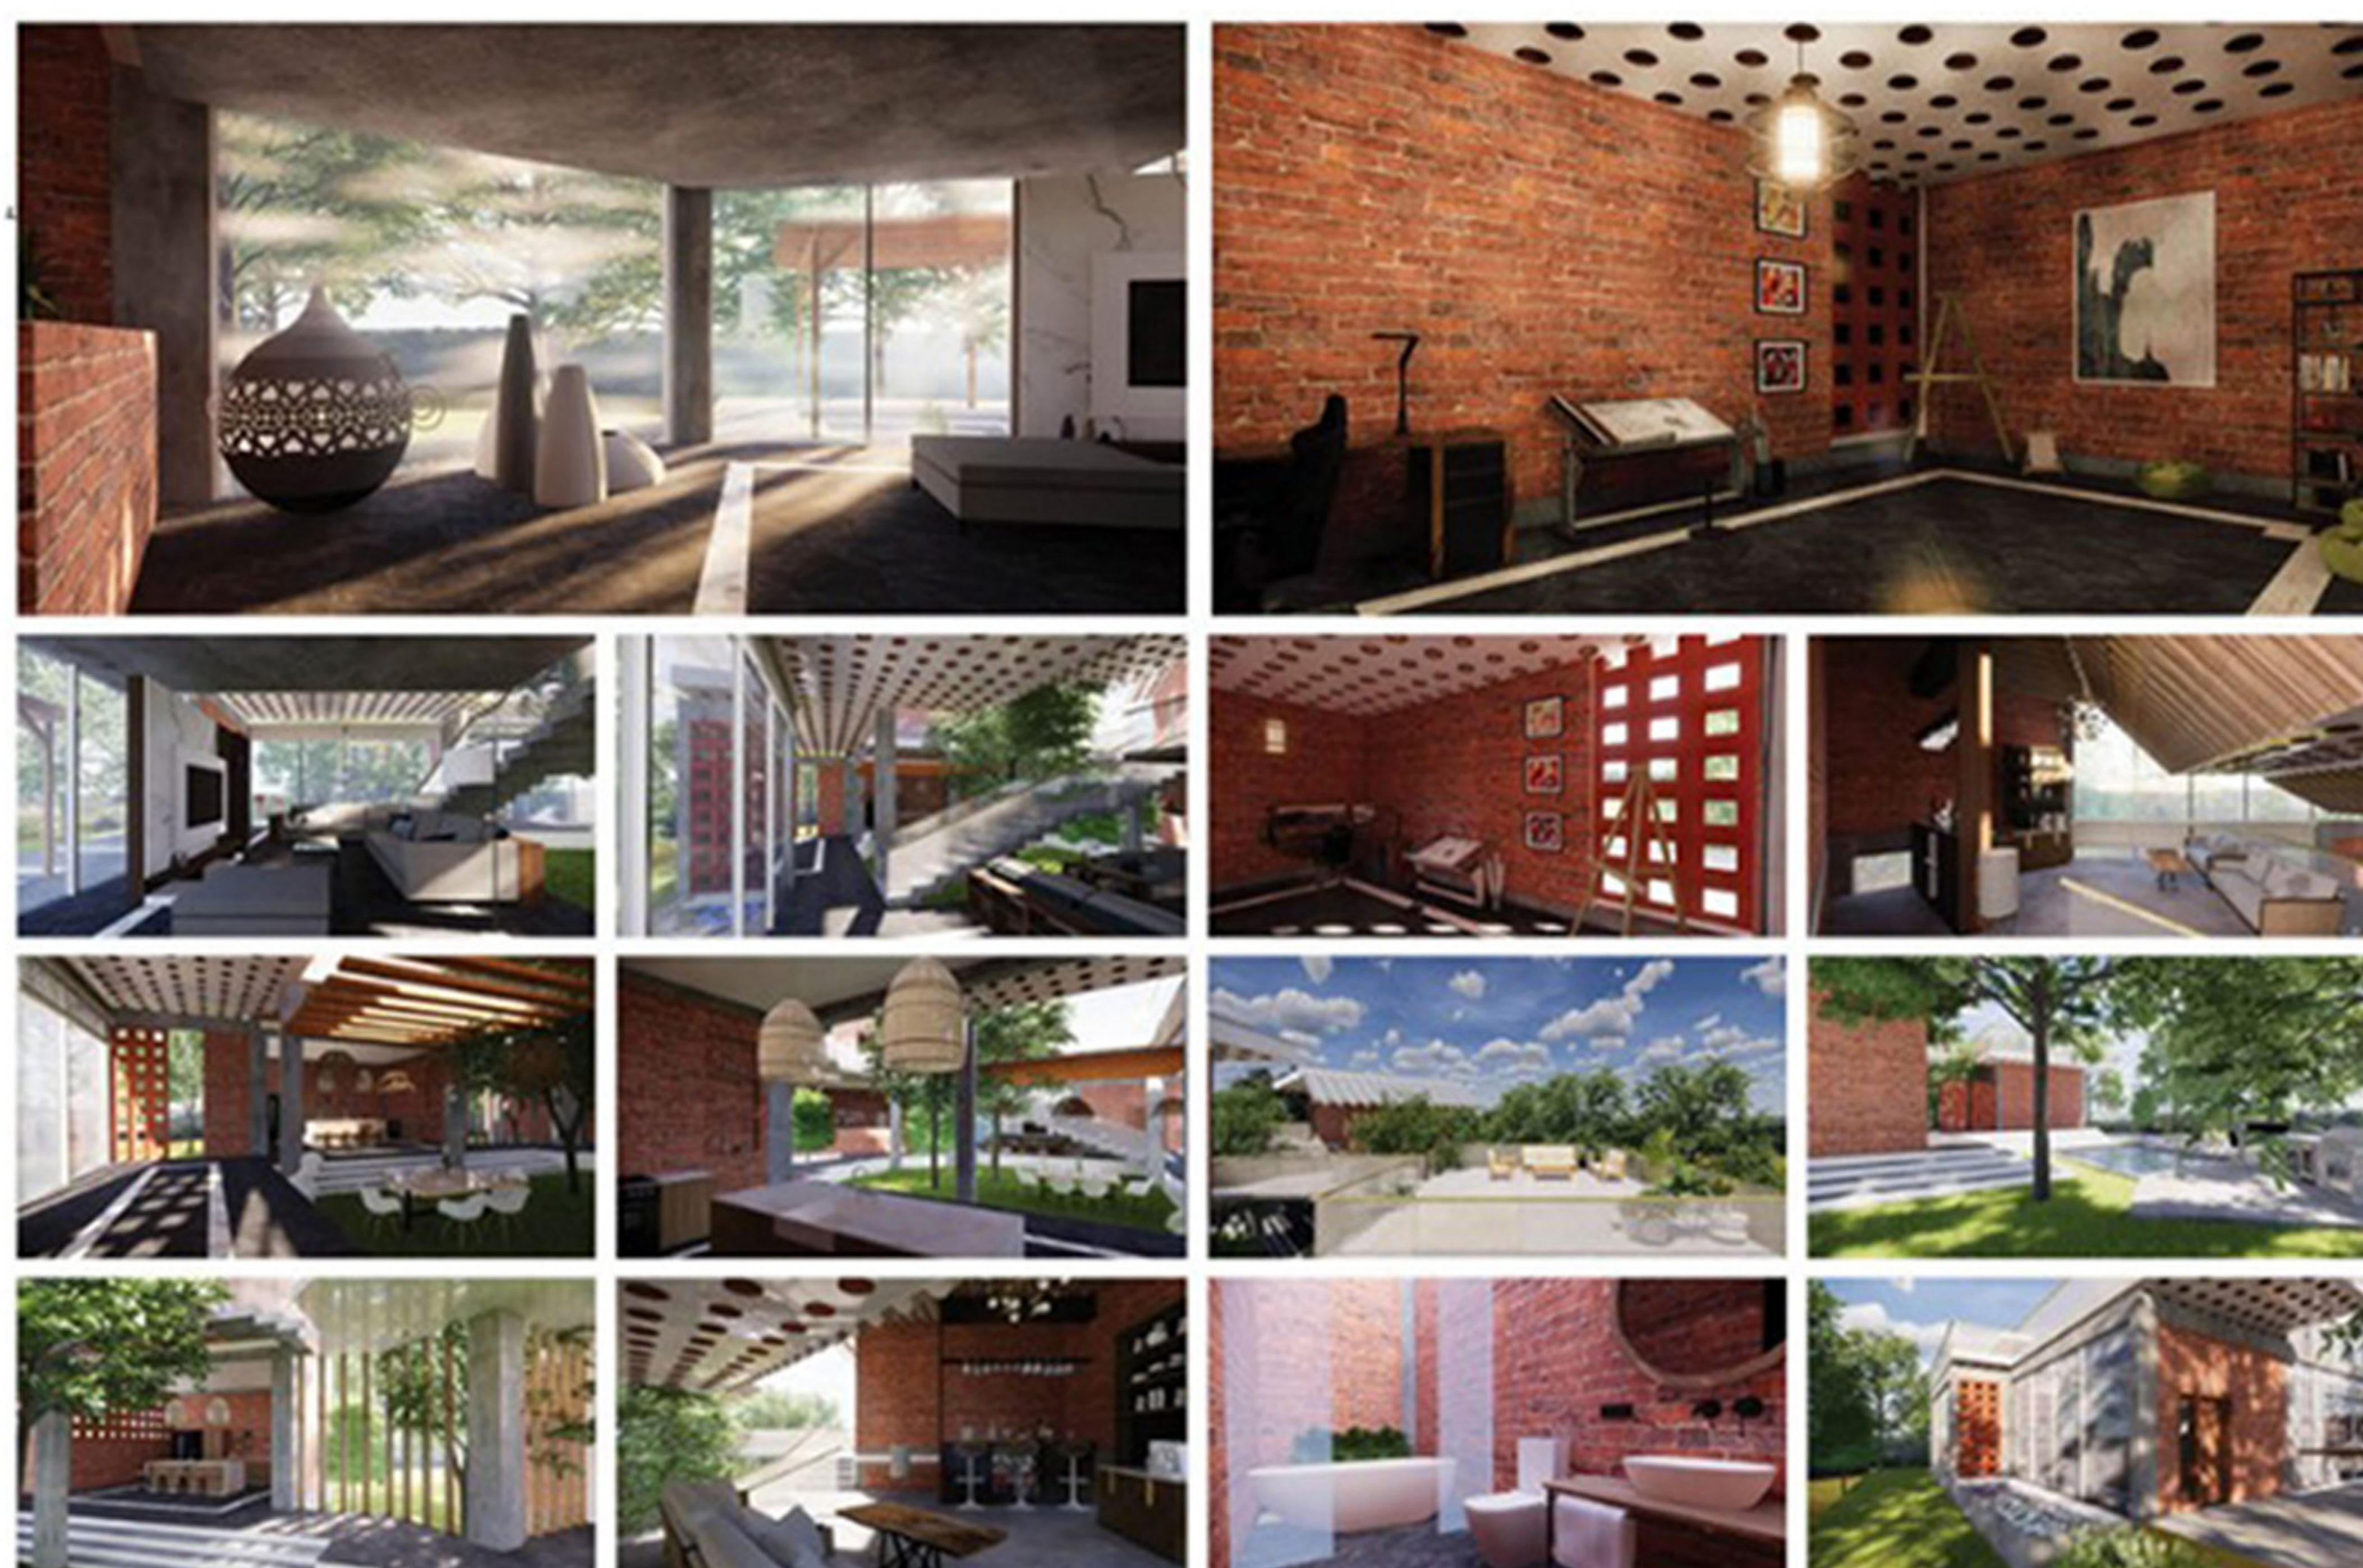

We are proud to announce the winners and honorable mentions, along with a list of Top 25 submissions shortlisted by the jury under student & professional category. We received participation from 525+ Teams and approximately 1050+ Participants who joined this design competition from all over the world. All the designs are tremendously creative and participants have shown brilliant skills.

A seminar series providing a platform for contemporary architectural practices to showcase their projects was initiated. The initiative will help facilitate building knowledge and vocabulary of the students. This will also help provide valuable insights of design philosophy and methodology of the architects and their works. The talk was designed keeping in mind 5th and 7th semester curricula.

Session 1: Bhumi Putra Architecture (13th October, 2022)

Session 2: ROxAR Design Studio LLP (14th October, 2022)

Faculty Co-coordinator: Ar. Shweta Pedaparthi, Ar. Alisha Sinha, Ar. Akanksha Singh

ON SITE INSIGHTS

SESSION 1

RVCA brings to you this seminar series by providing a platform for contemporary architectural practices to showcase their projects. The initiative will help facilitate building knowledge and vocabulary of the students. This will also help provide valuable insights of design philosophy and methodology of the architects and their works. The event will enable the exchange of ideas and work experience from other allied fields between domain experts and students of RVCA.

13 OCTOBER 2022
1400hrs- 1500hrs
Seminar Hall, RVCA

Session Guest
Bhumi Putra Architecture

Operating across many scales, Bhumi Putra Architecture consistently works towards new built environments that improve the quality of life in emerging economies. Alok is a two-time Forbes 30 under 30 honoree (India and Asia), INK Fellow, TIME Next Generation Leader, National Geographic Future Leader, World Economic Forum Young Global Leader. Recently, Alok was named a Stanford University and Oxford University Scholar for his work in low cost, high impact urban interventions for underprivileged communities across India. The work of Bhumi Putra Architecture has been featured by VICE, BBC, TIME, FORBES, National Geographic, VERVE, ELLE, Complex and various other eminent publications nationally and internationally. Bhumi Putra has successfully won international & national competitions at various scales and is currently working on high prestige projects.
