Welcome You All

WE ARE RV COLLEGE OF ARCHITECTURE

For three decades, RV College of Architecture (RVCA) has earned its reputation as an institution firmly ingrained in pedagogy revolving around academics, research and consultancy. It is globally recognised as a centre of excellence and quality education in the field of Architecture and Urban Design. With its devotion towards the cause of teaching architecture, the institute has constantly strived to bring together academicians with diverse specialisations, academic rigour, self-criticism and self-evaluation with a determined objective of shaping the attitude and work ethics of young minds.

The institute is also proud of its team of highly specialised faculty with diverse work and academic experience who constantly contribute to research and actively participate in the development and upgrading of teaching tools and education quality by instilling academic rigour in the study, critique and design of urban environs.

RVCA's uncompromising stance towards quality in architectural education sets our students apart and has also earned our students and faculty several accolades over the years.

PHYSICAL EDUCATION AND SPORTS

The Department of Physical Education and Sports Science at RV College of Architecture serves as a vital and integral part of the student's life in campus. Students are provided the content and instruction designed to develop motor skills, knowledge, and behavior for physical activity and fitness. This is instrumental in building up the ability and confidence to be physically active for one's life time.

RV College of Architecture is grateful to the management for providing ground facilities and support for participation in competitions like VTU Inter-collegiate, State and National level invitation tournaments.

VISION

To provide facilities for sports and games, train students to achieve success in sports and encourage students and faculty to lead a healthy life.

ABOUT RVCA SPORTS FEST

RVCA Sports Fest is an annual celebration of sportsmanship, competition, and community at RV College of Architecture. What began in 2024 as a simple inter-college sporting event has grown into a vibrant All-India level sports fest, successfully bringing together colleges from across the country. With 20–25+ colleges participating every year, the fest has evolved into a platform where students come together beyond classrooms and studios to compete, connect, and celebrate the spirit of sports. Over the past three editions, RVCA Sports Fest has continued to grow in scale, participation, and energy, creating an exciting tradition that brings the architectural student community together through sport.

The fest features a diverse range of sporting events, ensuring there is something for every kind of athlete and enthusiast. The competitions include Basketball, Badminton, Throwball, Volleyball, Cricket, Kabaddi, and E-Sports, with participants competing across various formats for exciting prizes and recognition. From fast-paced team games to individual skill-based competitions and the growing world of e-sports, RVCA Sports Fest is driven by enthusiasm, teamwork, healthy competition, and sportsmanship - making every match, every team, and every participant an integral part of the celebration.

GENERAL RULES AND REGULATIONS

- Only current regular Architecture bonafide students are eligible to participate in the tournament.
- Players must wear appropriate playing attire and conform to the team's uniform.
- Team players are required to present their individual college ID and government ID.
- Association rules and regulations will be followed.
- Teams should report 30 minutes prior to the match. If a team reports 1 hour later than the requested time, the opponent team will be given a walkover.
- Once the fixture are finalized, cannot be changed.
- Removable jewellery may not be worn during the game, nor hats or headgear that hang below the collar (at the officials' discretion).
- Regarding age criteria and weight criteria organizer's decision will be final.
- The referee's decision is final and binding. Misbehaviour, misconduct, or breaking the rules will lead to immediate disqualification
